

for  **SOLIDWORKS**

Introducing Ductworks, a new add-in for SolidWorks users

As your ductwork supplier, we are always searching for and creating new ways to alleviate the potential headaches our customers experience when it comes to duct design. That's how we make ductwork easier for you - so you can focus more on servicing your customers and growing your business.

Benefits of Ductworks add-in for SolidWorks:

- Designing of 3D ductwork systems using US Duct and/or US Tubing duct
- Produces an accurate Bill of Materials (BoM)
- Design tables can be configured for all standard US Duct and US Tubing parts
- Produces a 3D image of your system design
- Can produce all standard views (2D) of your system design (Plan, Right, Left, Front, Back)
- Will export to all major CAD systems and file formats including but not limited to: .DWG, .DXF, .STEP, .STL, .SLDDRW

ITEM NO.	PART NUMBER	DESCRIPTION	QTY.
1	TLEGS1490.G18	Tubing LI 90 deg El- 1.5xD - Gore Locked/Cauked Segments	2
2	TL14.G20	Tubing Life 5' Laser Welded	1
3	TL14.G20-12	Tubing Life 12' long - Laser Welded	1
4	TL14.G20-24	Tubing Life 24' long - Laser Welded	1
5	TBL14T08T06T45.G18	45 deg Branch-Standard TL 14T-08T-06T Giv 18	1
6	TLESS0645.G22	Tubing LI 45 deg El- 1.5xD - Stitch Welded/Cauked	1
7	TL08.G20-12	Tubing Life 12' long - Laser Welded	2
8	TBL08T08T04T45.G18	45 deg Branch-Standard TL 08T-08T-04T Giv 18	1
9	TLESS0690.G22	Tubing LI 90 deg Tubed-El- 1.5xD - Stitch Welded/Cauked	1
10	TLEGS0890.G20	Tubing LI 90 deg El- 1.5xD - Gore Locked/Cauked Segments	1
11	TLR08T07T.G18	Tubing Life Reducer 8T to 7T Giv 18GA	1
12	TLR07T06T.G18	Tubing Life Reducer 7T to 6T Giv 18GA	1
13	TL08.G22-24	Tubing Life 24' long - Laser Welded	1

Bill of Materials (BoM)
